

Song of the Sea – A beautiful quilt!

Best Original Design

Sore to the Sea
36" x 40"
by Kathy McNeil
Tacoma, Washington

"No, I was not on drugs when I designed this one—I just really needed to make something frivolous and fun," Kathy said. She loves all of Alphonse Mucha's famous Art Nouveau ladies and wondered if this style would work with an octopus in it. Kathy used tightly cinched tiny yo-yos for the suckers, a total of 321. Kathy admitted, "I loved to say, never again."
