

Song of the Sea – A beautiful quilt!

Best Original Design

Sole of the Sea
36" x 40"
by Kathy McNeil
Totipot, Washington

"No, I was not on drugs when I designed this one—I just really needed to make something frivolous and fun," Kathy said. She loves all of Alphonse Mucha's famous Art Nouveau ladies and wondered if this style would work with an octopus in it. Kathy used tightly crinkled teryl-yo-yos for the suckers, a total of 321. Kathy admitted, "I loved to sew, never again."
